Well ...

Have you found any apps you like?

So how is it?

She's a granny ...

What is this "app"?

I know now that it is a phone that you can carry with you, however, the manual is impossible to grasp with all its ka-takana.

May I see them?

Huh, seems like you took some pictures already.

Uyaa.

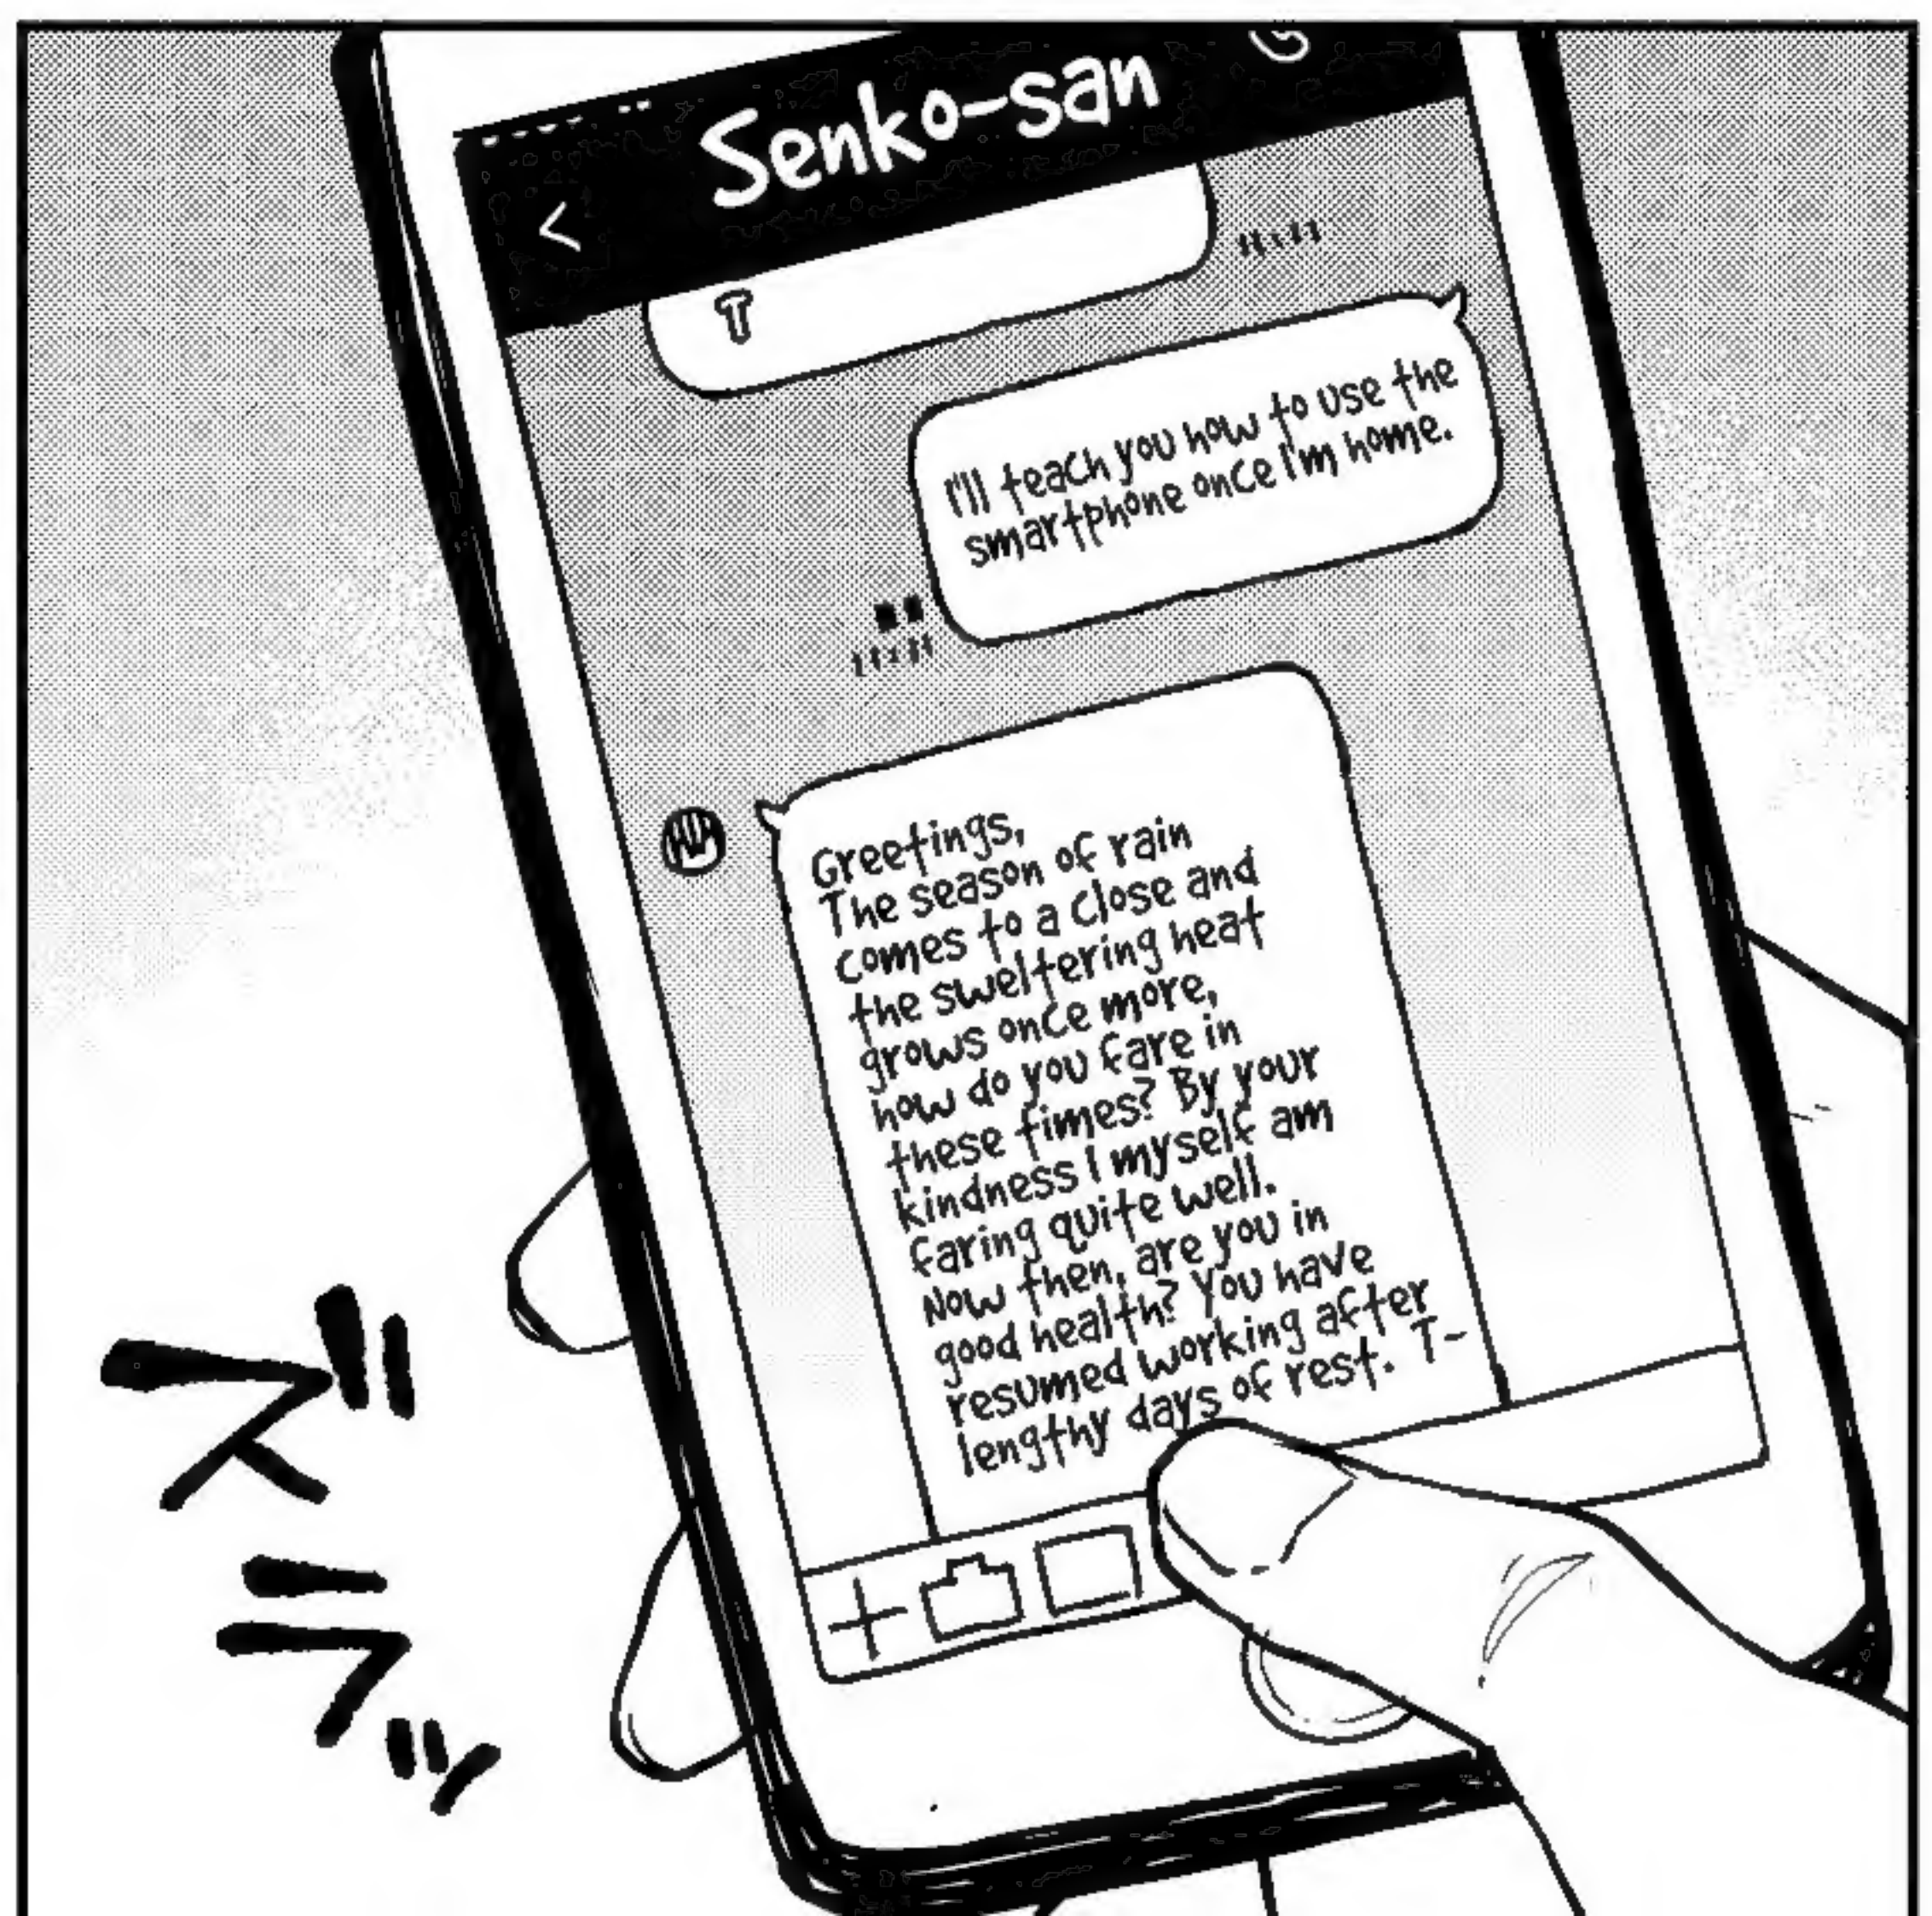

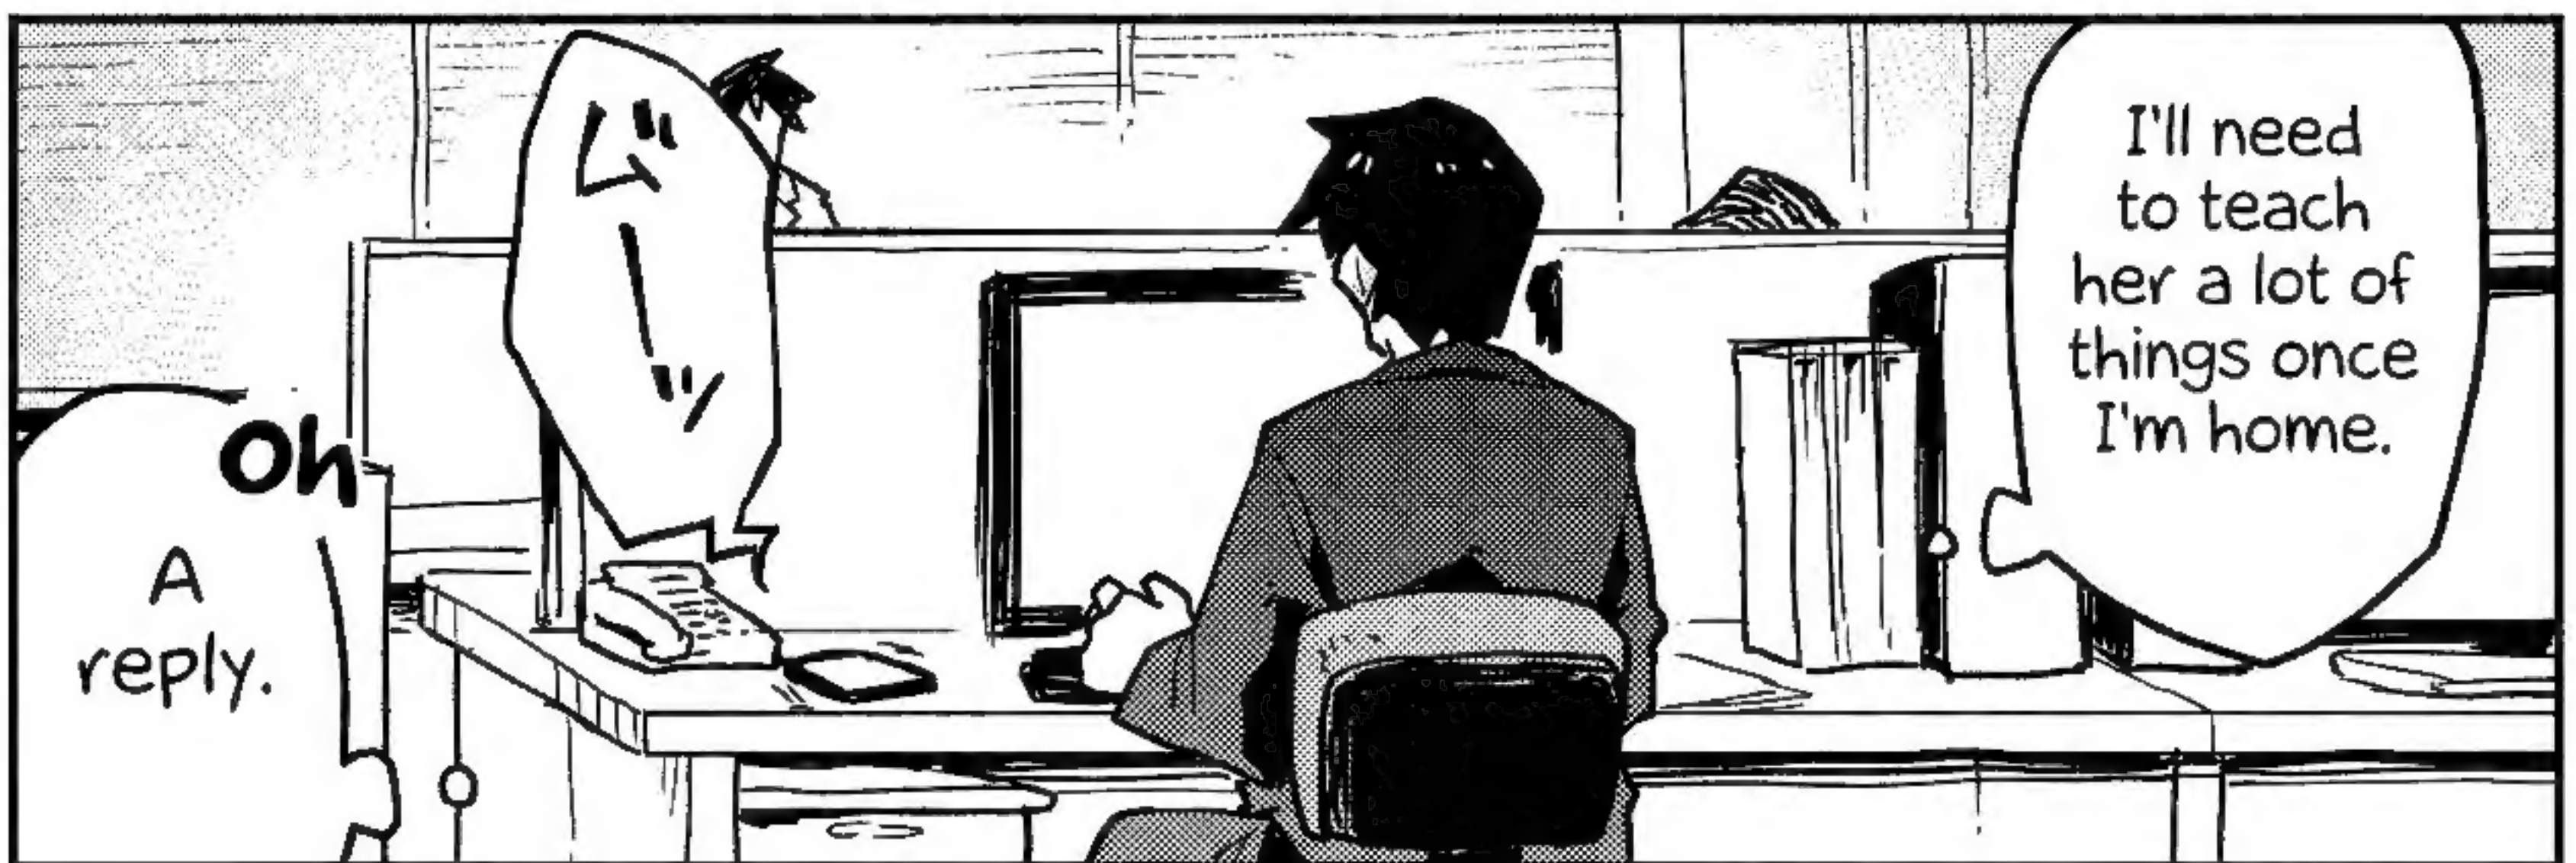

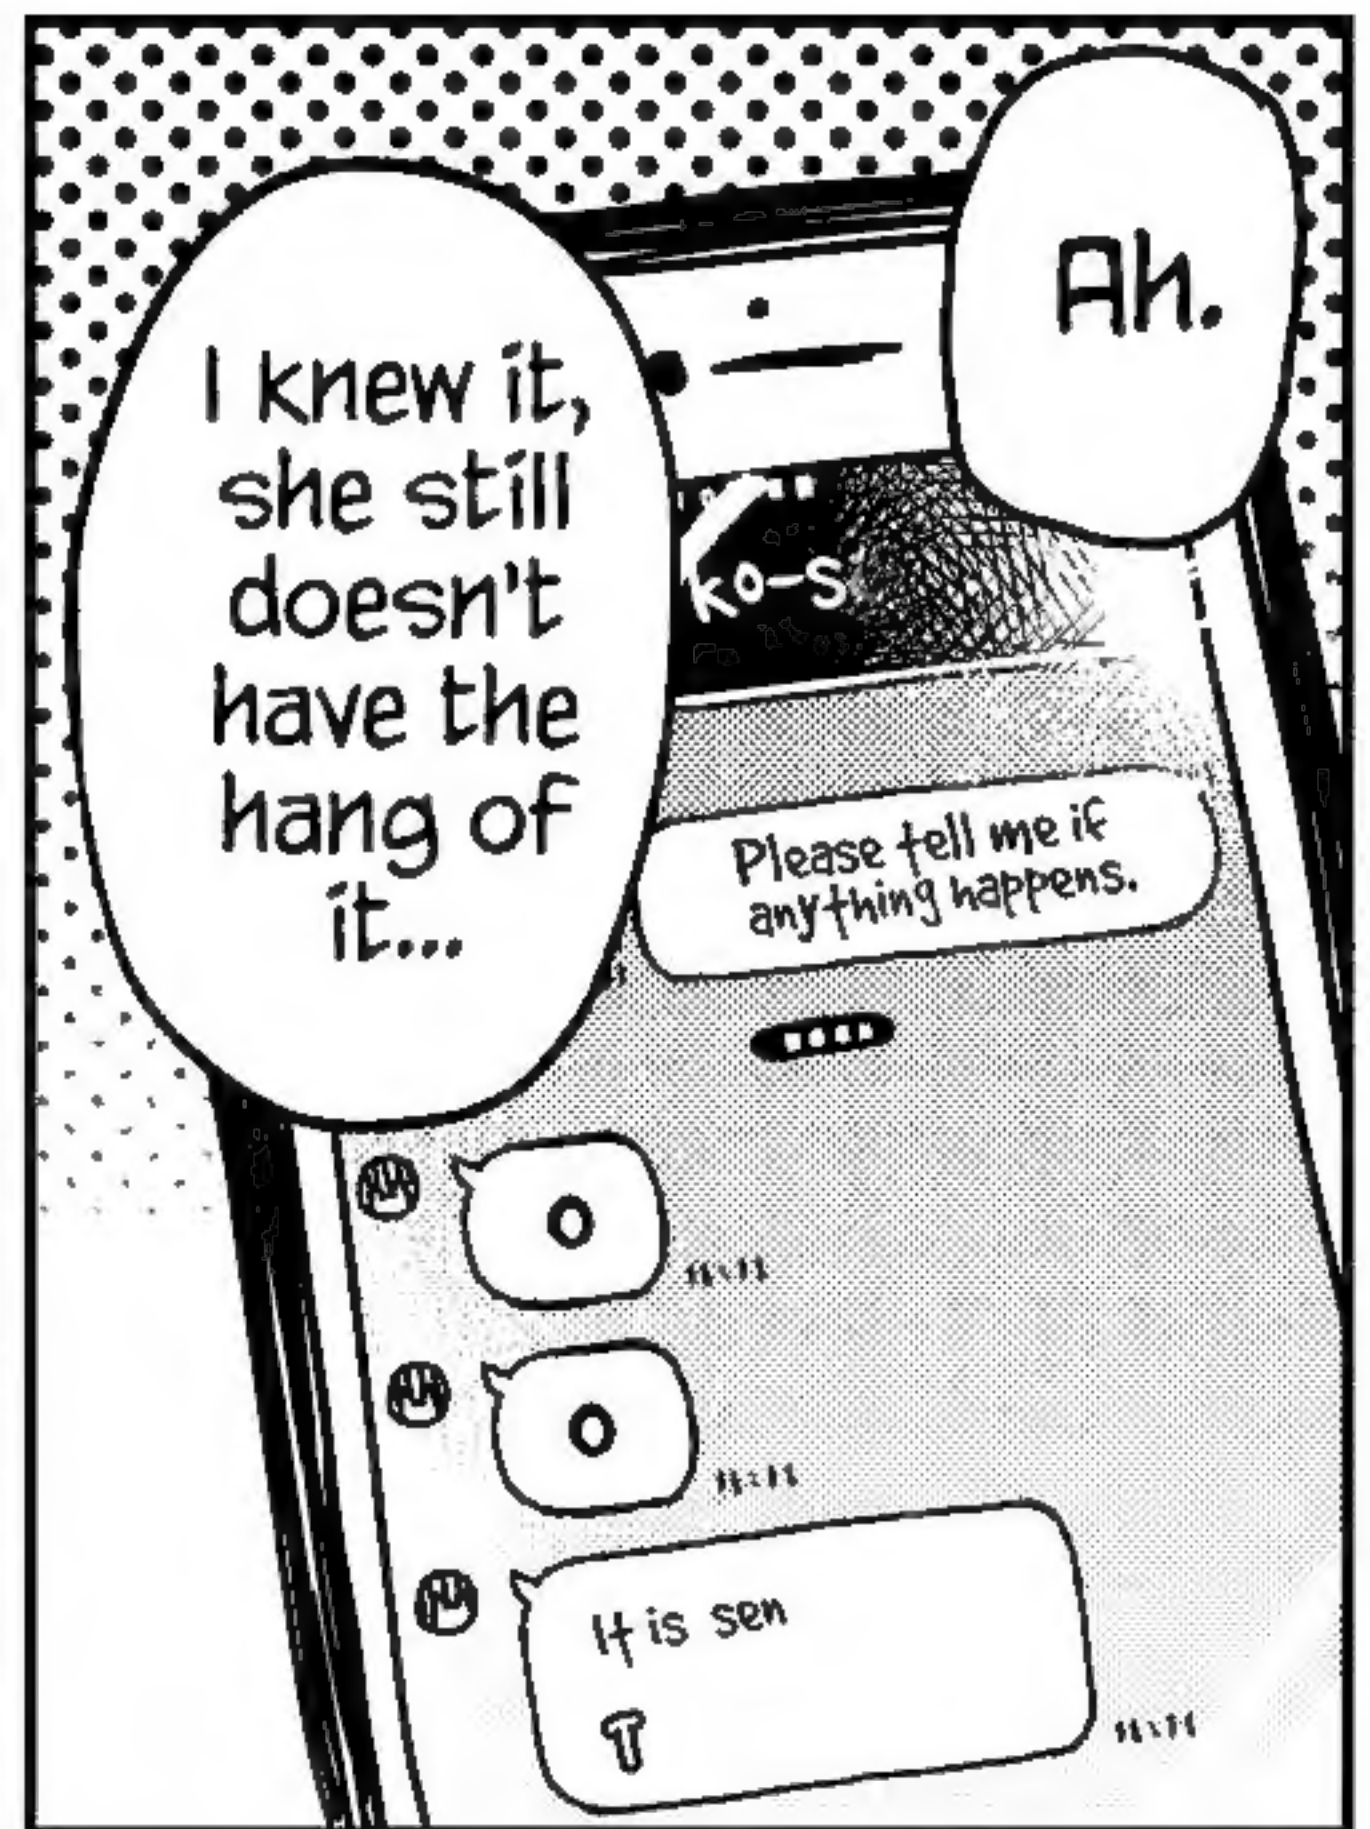

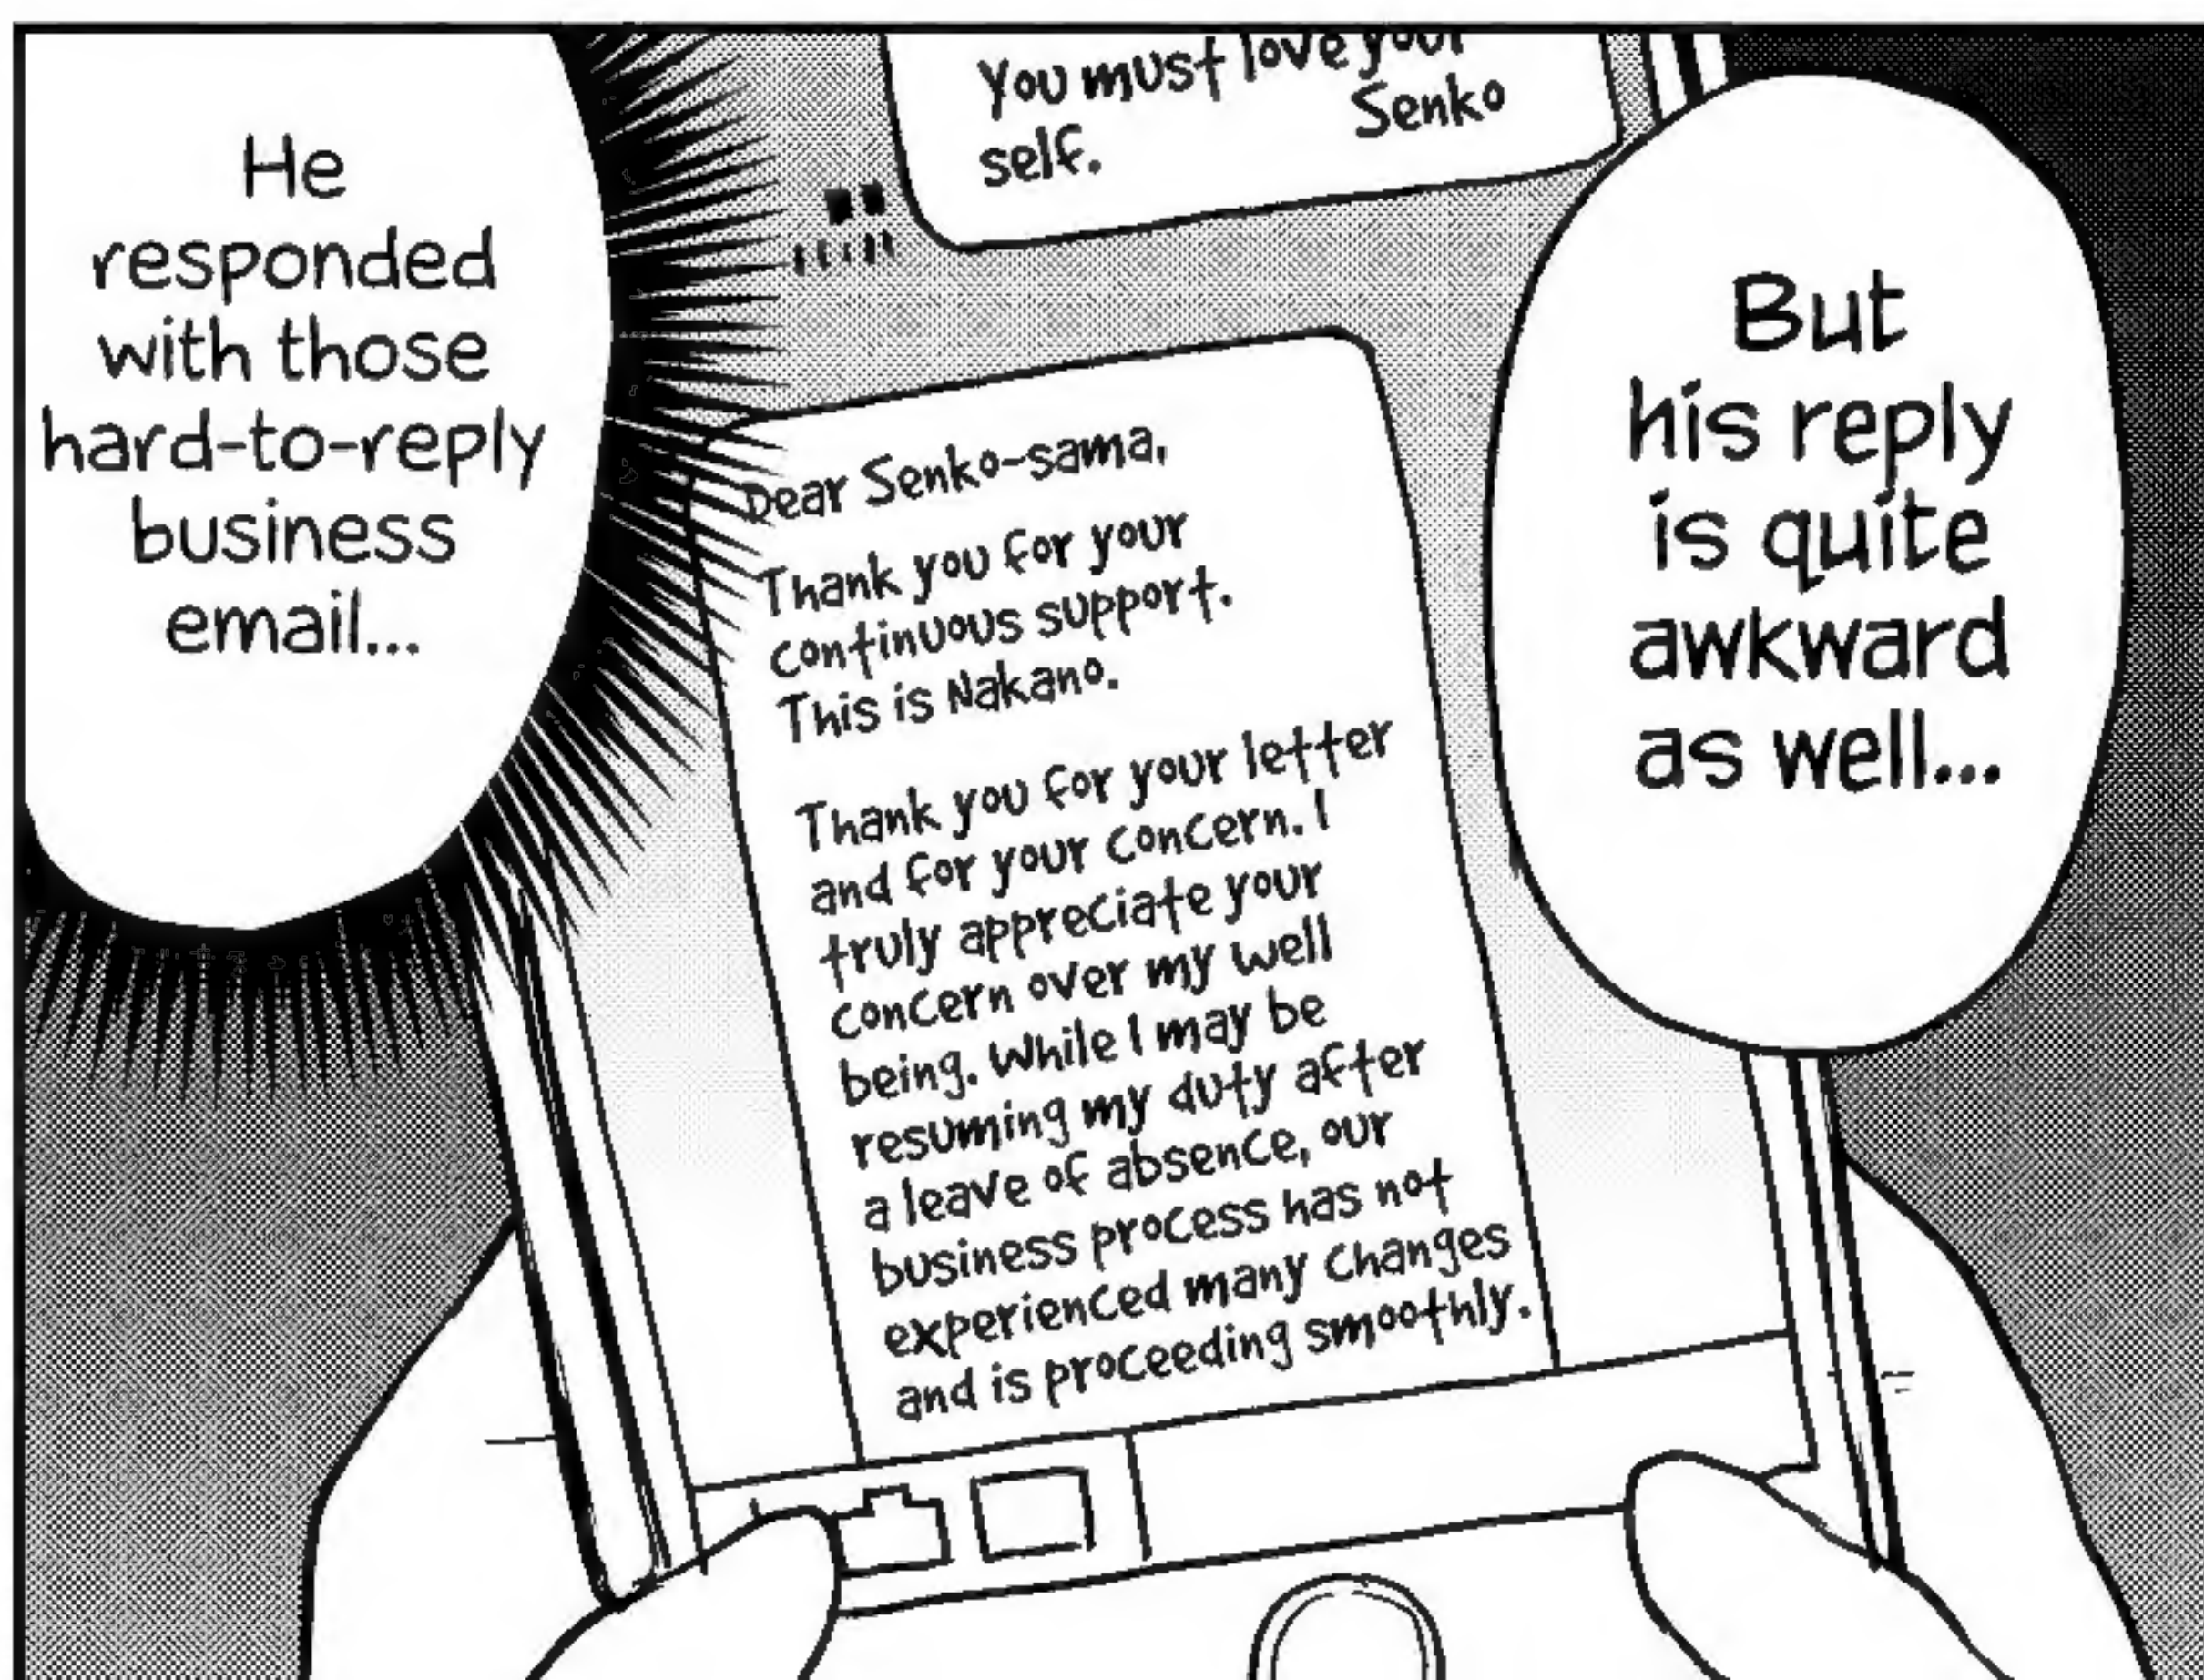

My! So it can serve as a camera!

If you push this button, you can take pictures.

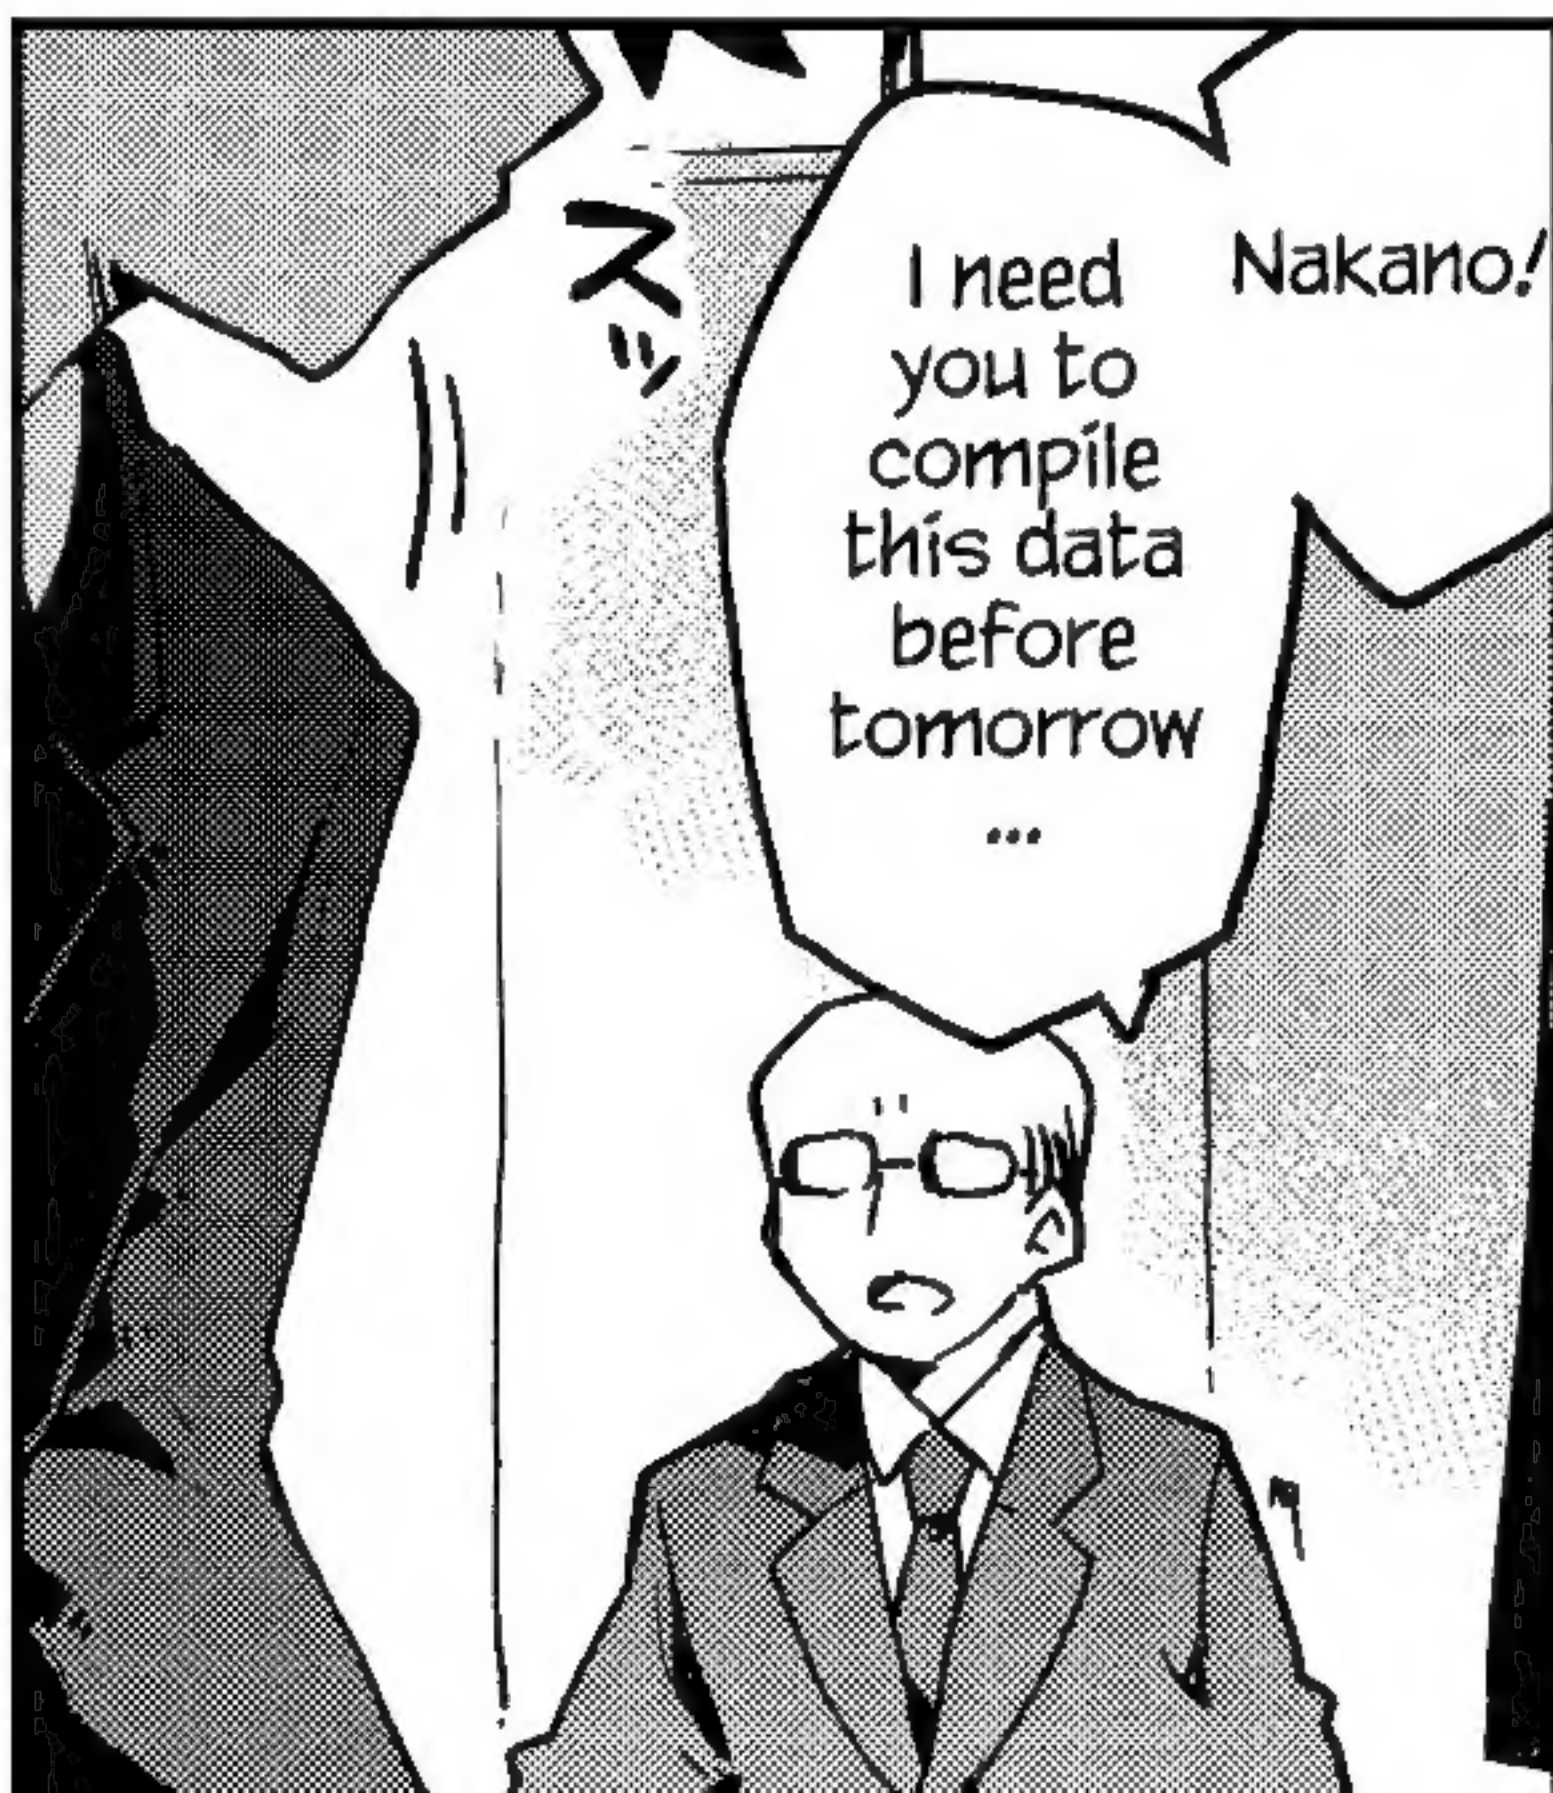

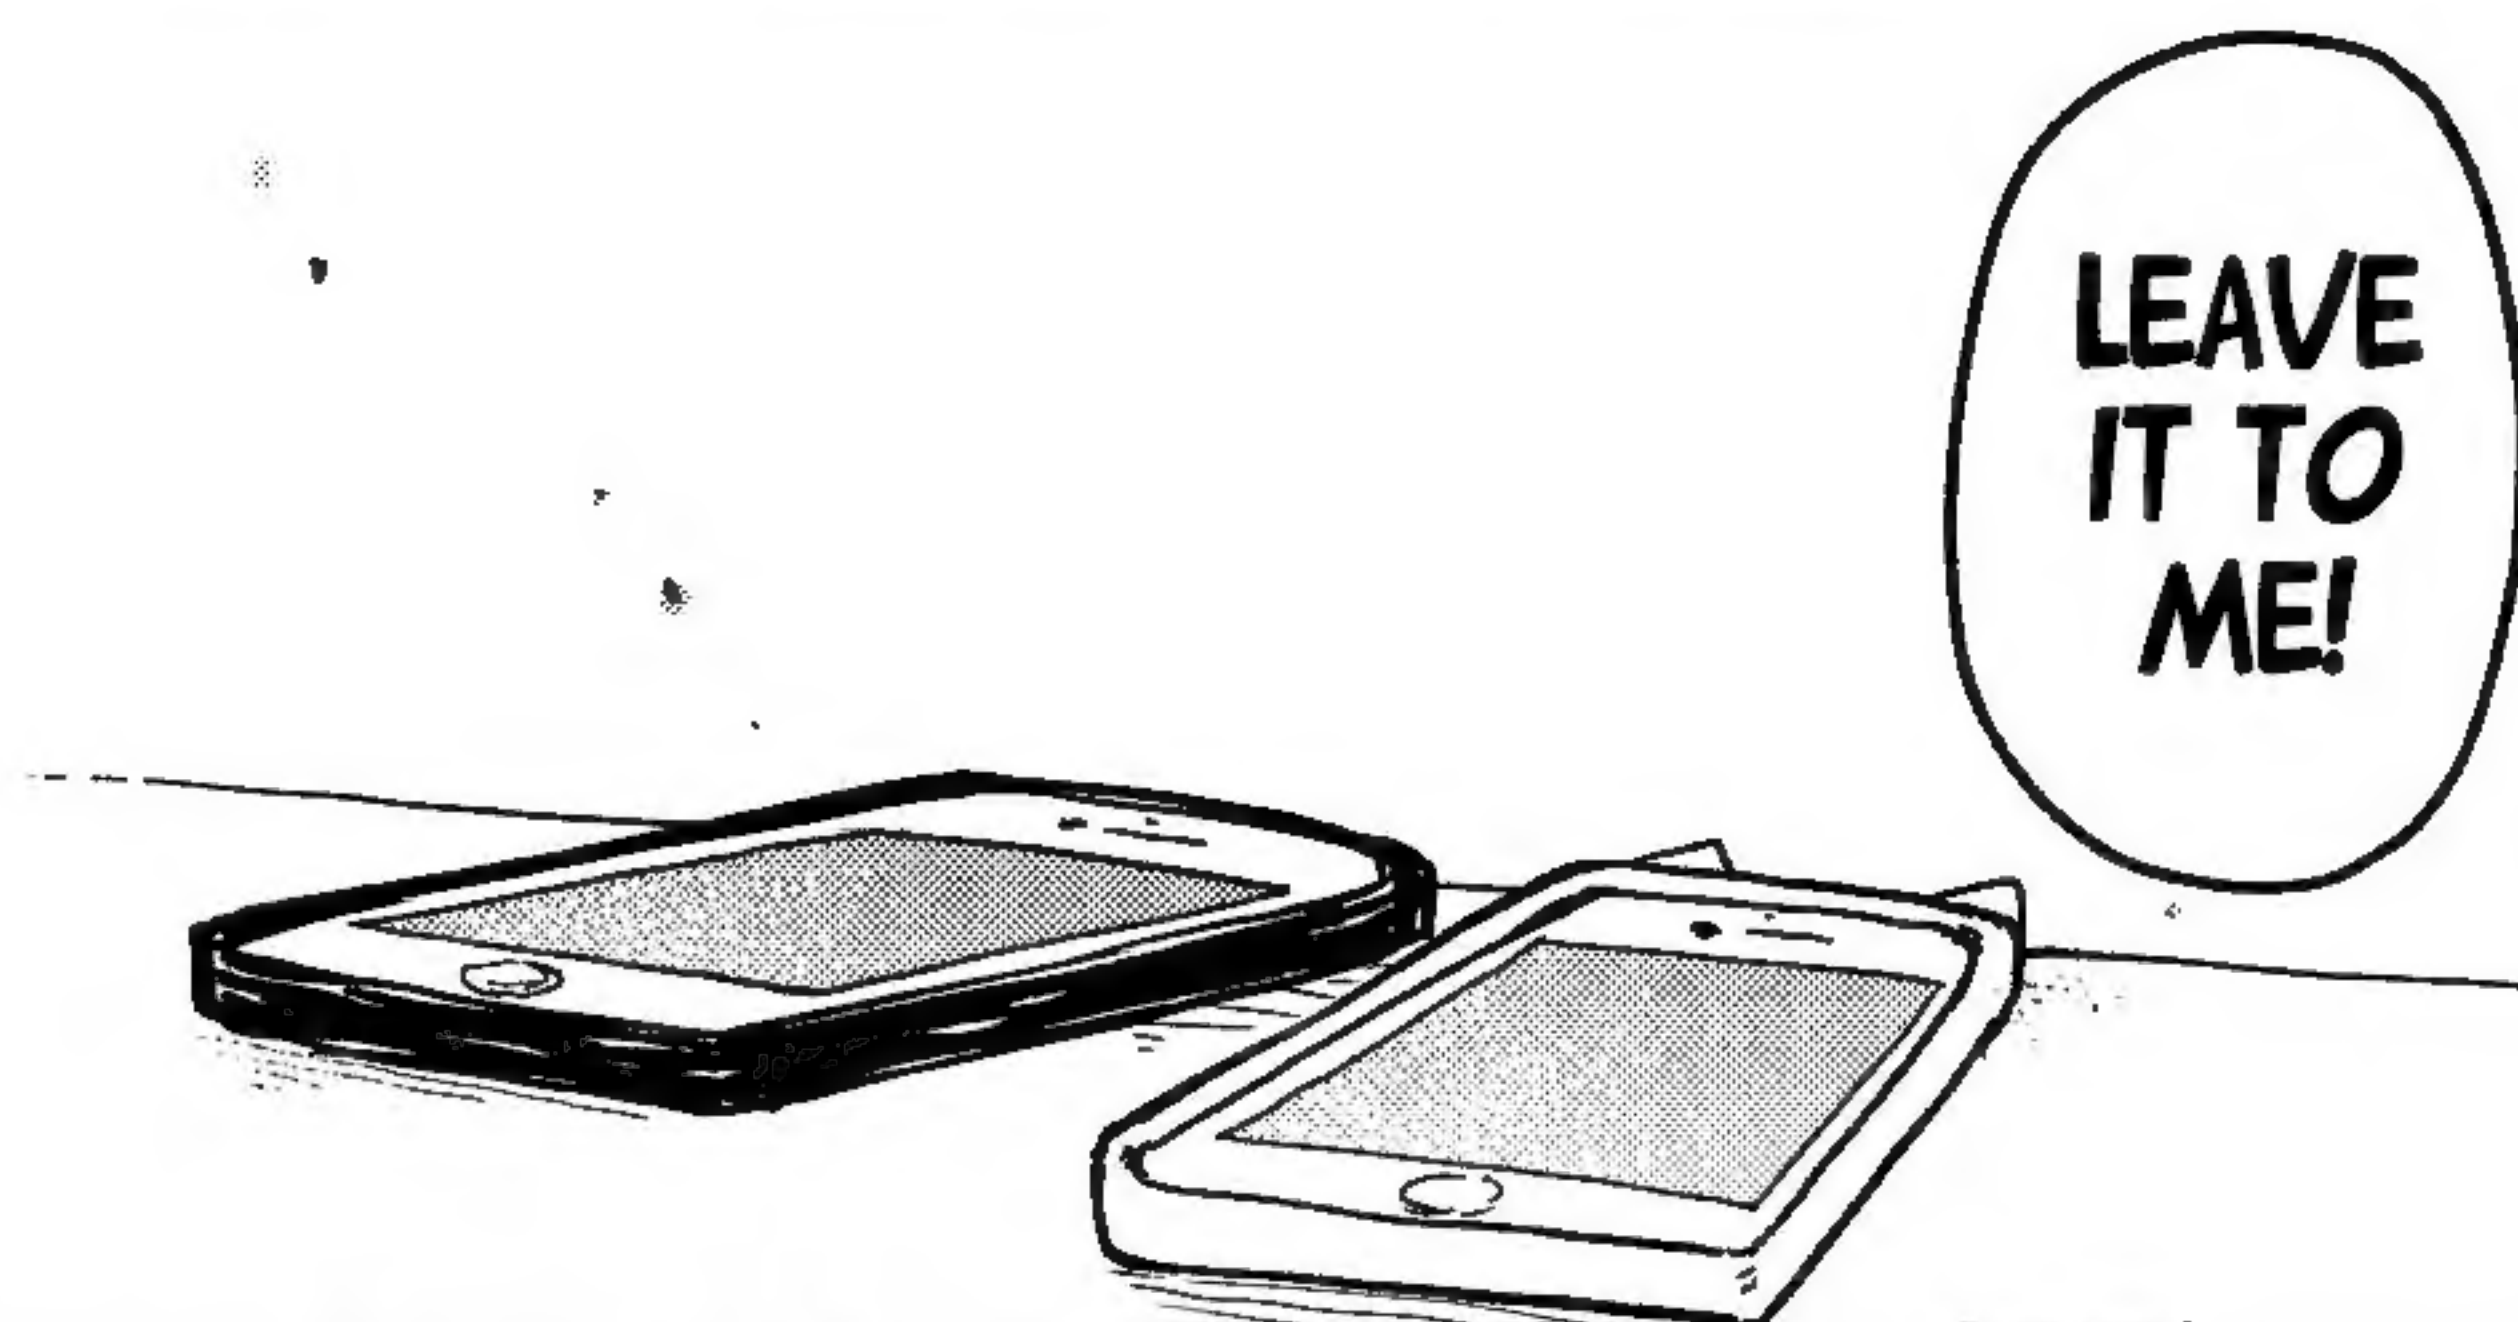

The joy from supporting one another.

◀◀ TO BE CONTINUED NOJYA!

The road to modernity is still long.
